

EAA Chapter 122 Meeting Minutes
June 15, 2013
Shreveport North Airport
Wellsville, Pennsylvania

The monthly chapter meeting was held at Shreveport North Airport (62PA) in Wellsville Pennsylvania in concert with the three day Father's Day Fly-in extravaganza.

The June meeting of EAA Chapter 122 was called to order by President Jim Haunstein at Shreveport North Airport (62PA) in Wellsville Pennsylvania at 1310 hours with the following members present: Bob Maternowski, Charlie Thiemann and his kids, Joe Mirezni, Bill Shlak, Jim Haunstein, Paul Furst, Tom Harry, Larry Moore, Ed Crouse, Lawrence Benander, Jerry Rosie, Henry Wenger, and Gene Humphrey.

The minutes of the last meeting were approved as published on the Chapter Web Site.

The Treasurer's report will show a balance of \$13,133.00 until the cost of the new chapter nametags is deducted. The revised balance will be presented at the next chapter meeting.

Committee Reports:

Tom Harry, Young Eagles Chair,

Tom Harry reported on the June 8th Young Eagles event held at Bermudian Valley Airpark (07N). Thirty Young Eagles were flown (along with some parents) in slightly windy but otherwise great flying weather. Tom thanked all the pilots and ground personnel for their efforts in pulling off a successful Young Eagles event.

Charlie Thiemann, Activities Chair,

Charlie reminded the chapter membership that the next chapter meeting will be the Chapter Pig Roast on Saturday July 13th, 2013 at Bermudian Valley Airpark (07N). While the roasting of the pig itself will be handled by a caterer, everyone was asked to bring a covered dish to the picnic. The picnic will begin at 9:00AM and the pig consumption will commence at approximately 11:00AM.

Charlie also reminded the members of the chapter fly-out at Butter Valley Golf Port Airport (7N8) on June 29th, 2013. Bring your golf clubs since the airport is situated right smack dab in the middle of the golf course itself.

Membership Committee

Since Lee Geisler was not at the Father's Day Fly-in in Shreveport, there was no report from the membership committee.

Old Business:

Charlie Thiemann reported that the chapter's ace photographer/wife Jill has been sending e-mails to the parents of the children who participated in the Young Eagles flights. These E-mails contain pictures of the children's experience at the event and has met with resounding success. After sending the first batch of pictures, Jill was deluged with requests from the other parents at the event.

Jerry Rosie brought the new chapter name tags to the Young Eagles event and handed out them to the chapter members. Jerry also brought the name tags to the Father's Day fly-in at Shreveport.

New Business:

Charlie Thiemann invited EAA Chapter 855 at Slatington to come to the chapter Pig Roast at the Bermudian Valley Airpark. So far Charlie has not received a commitment from the Slatington chapter.

Jim Haunstein mentioned that chapter members who have not flown recently be afforded an opportunity to take a flight at the pig roast.

Jim Haunstein suggested that the members attending Airventure 2013 at Oshkosh Wisconsin try to get together for an informal dinner at some local restaurant during the convention.

There being no further business to bring to the membership, the official meeting was adjourned at 1328.

Post-meeting presentation

There was no post-meeting presentation since the Father's Day fly-in was the presentation in its own right.
