

EAA Chapter 122 Meeting Minutes
December 17, 2013
Hoss's Restaurant, Enola Pa.

The meeting was called to order at 7pm by President Jim Haunstein. Jim asked the members if there were any pressing issues that need discussed tonight, none being presented,, Jim asked for a motion to adjourn. Meeting was closed at 7:03pm.

Following the meeting there were presentations made to several members who have accomplished miles stones in their aviation activities. Lee Geisler did an outstanding job of making presentation certificates for these members. Each member receiving the certificates was asked to talk a little about their accomplishment.

Following the presentations numbers were drawn and 5 members came forward and gave a short talk about their most memorable flights or other experiences they would share with the group. The stories were priceless and appreciated by all who attended the dinner.

The ladies present received a rose for their support of our activities.

The staff at this Hoss's restaurant was impeccable; the three ladies that worked our room were outstanding. Thank you Charlie and Jill for making the arrangements for the dinner.

An email will go out early January for the location of our next meeting.

Submitted by Jim Haunstein in the abstance of our secretary.
