

EAA Chapter 122 Meeting Minutes
August 20, 2017
Bermudian Valley Airpark

Greetings chapter members and fellow aviation enthusiasts,
This month's meeting will be held Tuesday September 19 at beautiful Bermudian Valley Airpark 07N. Due to ongoing road construction please see the directions included below Food and hangar chatter will begin at 6pm followed by the business meeting and then a special presentation by our 2017 EAA Air Academy attendee Sierra Smith. Please join us to learn about her experience at the Air Academy and at Air Venture. Following Sierra's presentation our members that attended this years Air Venture will share their experiences at the event and their travels to and from.

The annual picnic was held August 20 at Bermudian Valley Airpark and the weather was perfect. We continued to observe our chapter's 55th anniversary and show why we thrive...great people + airplanes = good times.

The event was well attended and we had three members fly their airplanes in...Jim Haunstein, Ed Hoke, and Ed Crouse. Much to our pleasure Henry Hartman from Gettysburg chapter 1041 also attended the festivities. Thanks to Dan Cassidy for organizing the event and bringing his grill and games, Mike Parks for communications, Charlie and Jill for grilling and food set up and to everyone that brought their own special dish to round out the fantastic menu. A big thanks to Rob Donato for allowing us to use BVA facilities and for all the before and after work that he puts into hosting.

Thanks to our dear departed Jerry Rosie for once again providing the tent, tables, and chairs at no charge courtesy of HighPeak rentals.

We are thankful to have had that final opportunity to share a wonderful day with Jerry. Thanks to Paul Furst for rounding up some additional tables courtesy of Cliff. Thanks to everyone else that pitched in to help make the event a very nice time. I took some nice photos and will post them to the website as soon as I can figure out how to do it.

I look forward to seeing everyone at the meeting.
