Self Promotion

Chapter members have come up with two excellent ways to promote Chapter 122 at future events. One way is by hats and shirts with the Chapter 122 Logo emblazoned on it. The second way is with a personalized name tag with our chapter listed along with our name. It sure beats those tacky "Hello. My name is ____" sticky paper name tags.

Here are some pictures of the hats and shirts and two separate order forms: one for the hats and shirts and one for the name tags.

Aviation History and Dance

On August 18 and 19, 2007 the Business Airport of Carlisle and Chapter 122 jointly held an Aviation History Day and USO Dance. Here are a few words from Bill Burd Jr and his excellent pictures. *Here are a few pictures for you... like the one of the dancers with the EAA banner in the background ...great job on everything and thanks for treating Mom and Dad so well... it was highly appreciated. PS... Special thanks to Mary Jane and her helpers too ... they deserve an award / medal too.... :)*
